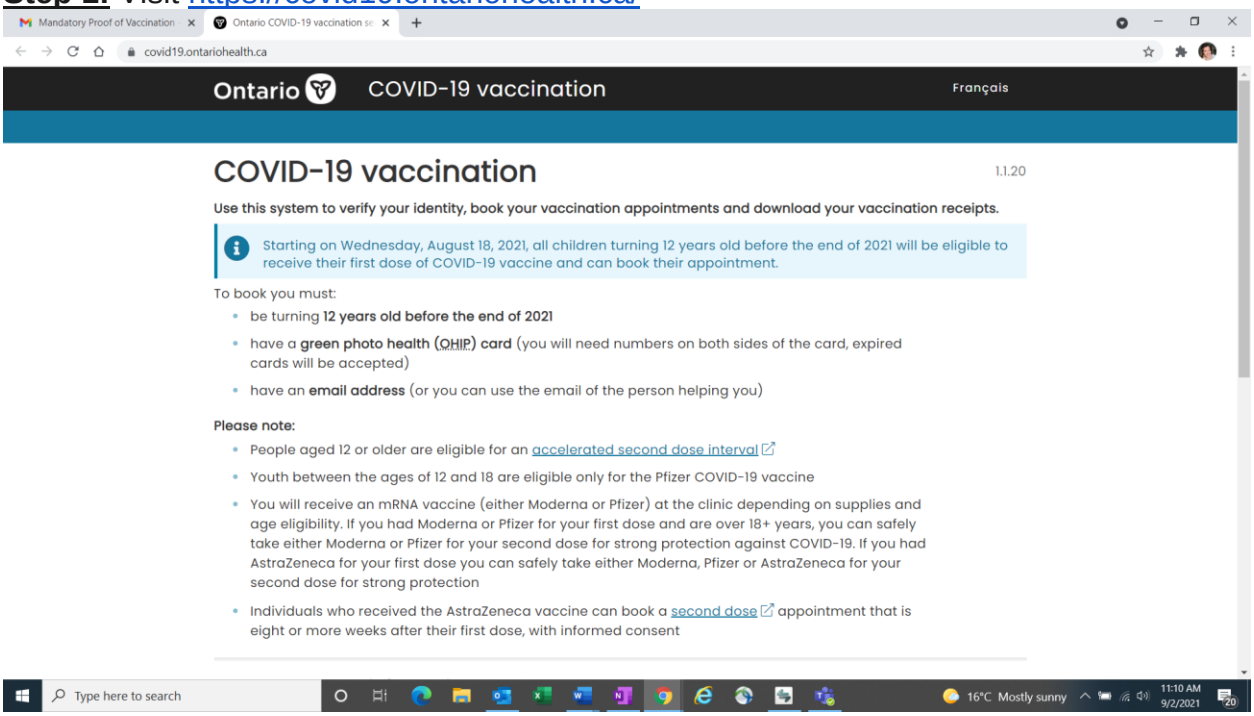
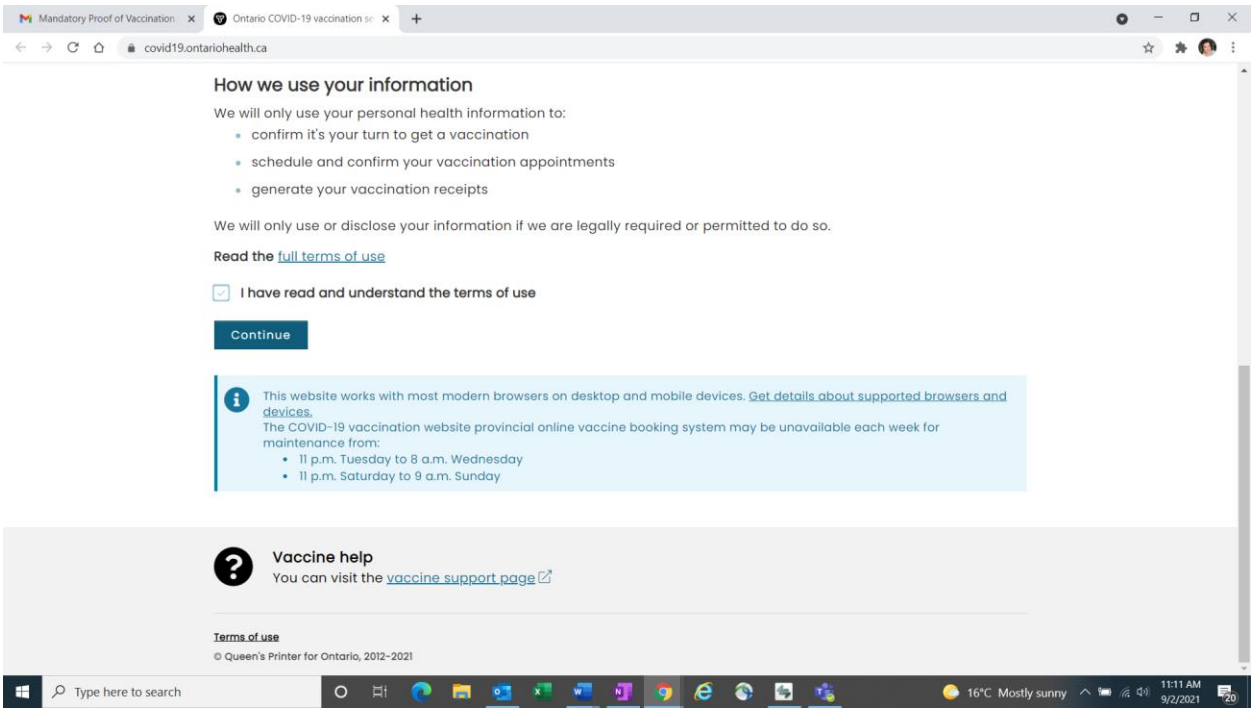
How to Access your COVID-19 Vaccine Receipts

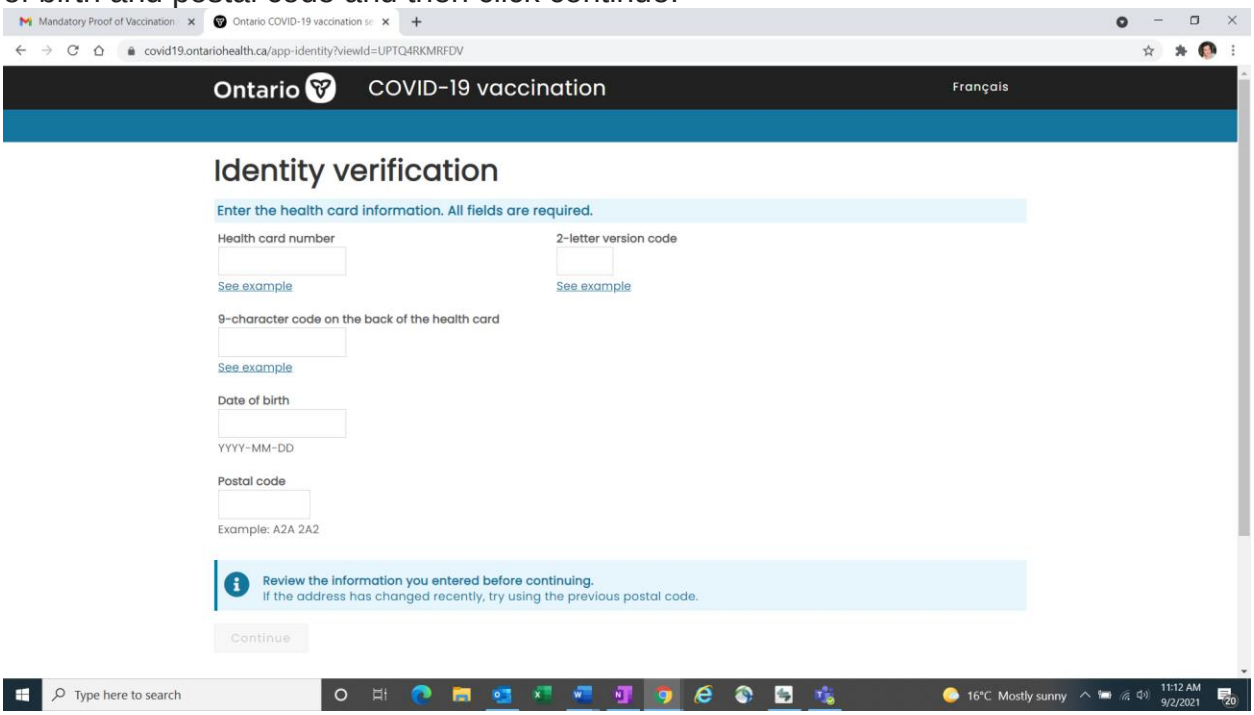
Step 1: Visit https://covid19.ontariohealth.ca/



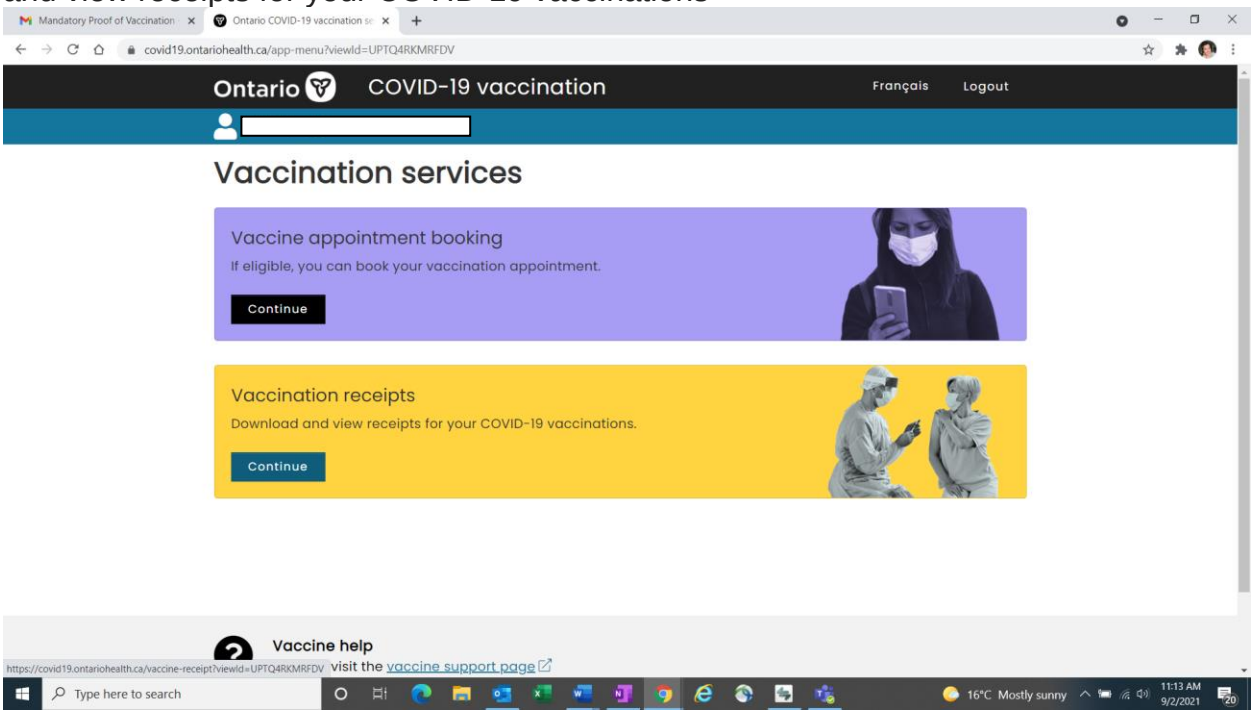
Step 2: Scroll to the bottom of the page, click that you have read and understand the terms of use and then click continue



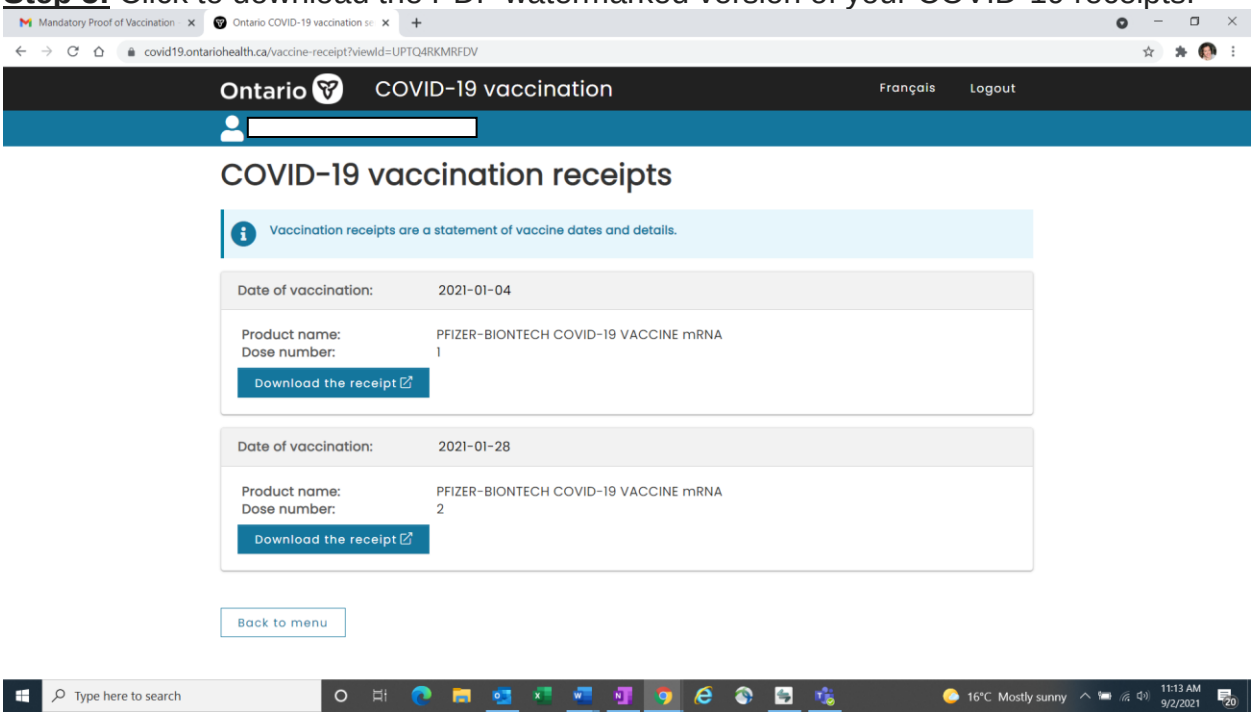
Step 3: Enter your GREEN Health card number (If you have a RED and WHITE health card or do not have a health card please see the direction at the bottom of this document), 2-letter version code, 9-character code on the back of the health card, date of birth and postal code and then click continue.



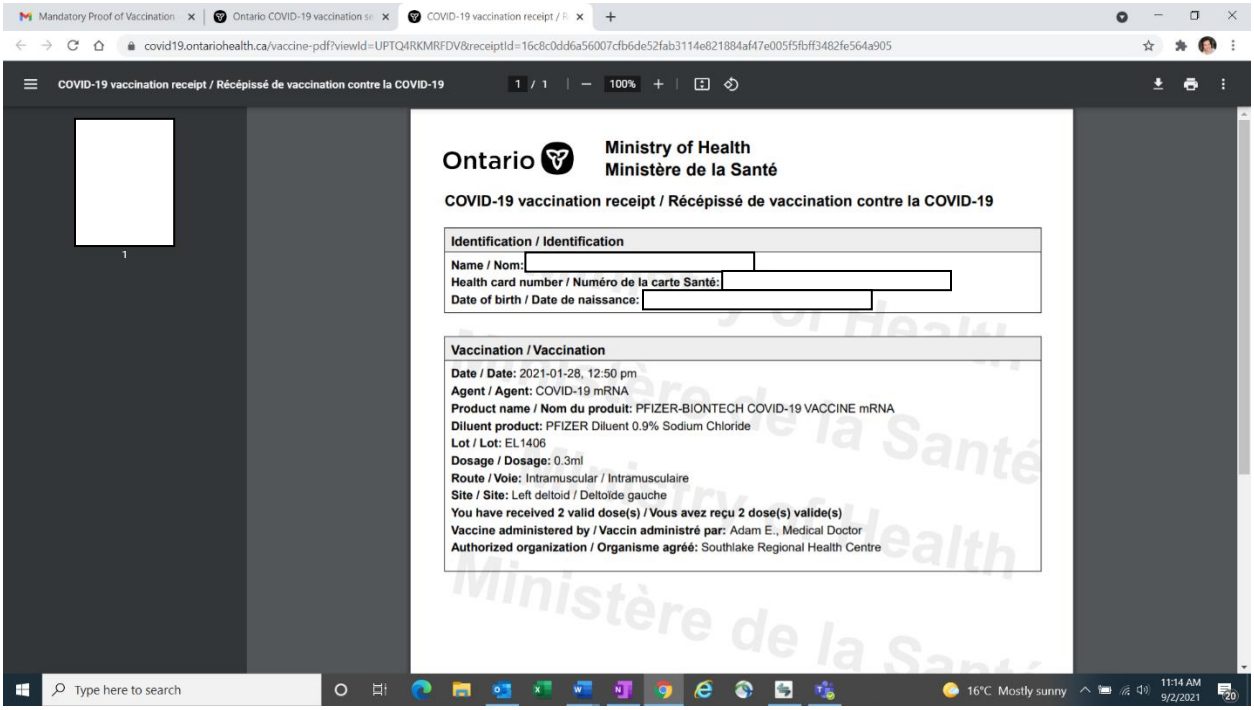
Step 4: Click continue in the yellow rectangle that says "Vaccine receipts: Download and view receipts for your COVID-19 vaccinations"



Step 5: Click to download the PDF watermarked version of your COVID-19 receipts.



Step 6: Either save a copy to your personal device or print your COVID-19 vaccination receipt for BOTH doses of the vaccine. We would recommend saving them to a cellular device if you have the capability as you will likely need them for more locations in the community than YCC.



If you have a red and white health card or do not have a health card, call the Provincial Vaccine Booking Line at 1-833-943-3900. The call centre agent can email you a copy of your receipt.
