Revised League Schedule and Details

SENIOR CURLING LEAGUES

- Like past years, Senior Curling will have 5 draw times assigned.
- The reference to TAG has been dropped as we have sidelined the tags to reduce the risk of transmission of germs.
- This league does not include the Tuesday Senior OPEN Team Entry League.
- Since this registration approach assumes that we will be allowed to curl in more than one league, we have decided to view the **two-league selection in the Senior Curling as one league for the purposes of registration**. (i.e., A member selects the Monday Morning Senior Curling League and Wednesday Morning Senior Curling League. The two games will be counted as one league for the purposes of registration, so that member can select another two leagues to register in if that member so desires. This will be the case for any combination of two Senior Curling Leagues under this registration approach.)
- Expect a lot of other things to be different this season.
- Limited pre-game practice – will not be able to throw rocks until your position and sheet is assigned
- Kitchen will be closed. Bring your own thermos and cup if you want a coffee after the game.
- We met with the league draw masters to determine best approach to forming teams. It was the general consensus that we investigate an online signup process that will require curlers to log in and sign up for their games in advance and the draw master will create a schedule and have it posted the day before the game. Work in progress on this item.
- Due to the regulations and pre-registration requirements, you will only be able to curl during your designated draw time.
- Leagues may be consolidated if the final registration numbers are not sufficient to run separate leagues.

The draws for Senior Curling are as follows:

- 1. Monday Morning SENIOR CURLING – 8:30 – 10:30 AM**
 - 32 of 50 registered
